

MEGGY

The Meggy collection features a blend of tonal neutrals and pops of on-trend colors in a variety of transitional, abstract, and traditional designs to effortlessly compliment a wide range of home decor styles. Vivid colors and stylish distressing give even the most traditional designs a touch of modern luxury, and each piece includes fashionable self-fringe for a hand-made look. Each rug is made of cross-dyed polyester yarn and cross-woven with a cotton backing, using state-of-the-art, computer-driven looms to create a low profile pile that offers high-end design without sacrificing comfort or durability.
