

ORIENT

Experience the exquisite artistry of our Orient collection, featuring a soft color palette of neutrals and blues accented by complimentary warm tones to create a welcoming, eye-catching foundation for any room. The wide range of designs in this collection are perfect for many different styles, whether your customers are looking for a natural pattern, a painterly abstract look, or a more traditional design. Because these rugs are long-lasting and easy to clean, there is no fear of staining or fading even in the most high-traffic or spill-prone areas of the home.
